## PARENT SUPPORT IS INTEGRAL.....Please read!

ALL Parents are required to assist in the transport & supervision of the team on a rostered basis, generally once every 4 to 5 weeks.

1. **IN addition AND as a change from previous years each team will need to nominate 1 parent as Team Manager.** This takes the place of the captain's role in previous years, & will ensure that all team members are informed of coaching times, draws & any other relevant team information.
2. **Further**, there is a network of approximately 10 Junior Supervisors required that are the first contact for captains if any issues arise, such as replacements. Each of these supervisors is responsible for 4-6 teams & ensures their smooth operation.
3. **Additionally** there are 3 Supervisors that assist in dispatching teams from the club Friday & Saturday.

If you feel you would be able to assist in any one of the above roles please COMPLETE THE SECTION BELOW. Parents, it is vital that these roles are filled prior to the start of the competition. Your assistance is appreciated.
